Hi Ms Schechter,

Per my voice message of yesterday, attached please find a set of our construction documents for the Highland Ave medians that BSS designed and constructed.

I've also attached a master plans that CD 13 (I believe it was CD 13, may have been the BID, or CD 4) gave me some time ago, identifying the existing and proposed medians along the corridor.

Feel free to call me at the number below should you have any questions.
